

## Laundry Line Logic

Reasons and Tips for Hanging Your Laundry Outside on the Line ☺

### Reasons

- The laundry dries more quickly.
- The laundry smells wonderful!
- You are surrounded by flowers and a fresh breeze!
- It benefits the environment.
- The breeze irons out wrinkles.
- On a sunny day, stains disappear.
- The sun is the best disinfectant.
- You save a lot on your heating bill.
- The sun disinfects large bulky items that are difficult to wash, like comforters and pillows.
- The task provides a quiet reflective unhurried escape that renews your mind!

### Tips

- Tumble the laundry in your dryer for three minutes first.
- Use a retractable clothesline, so you don't have to clean it.
- Hang your line where there are no trees above.
- Hang personal items on a rack out of view.
- Plan laundry on sunny days.
- Turn dark clothes inside-out to prevent fading.
- Hang shirts from the bottom.
- Shake items before folding.
