

# The ministry of writing and sending cards is easy with Flower Girl Greetings

Our mission is to make it easy for you to share the power of God's Word to those who are struggling, celebrating, or just need to know someone cares.

Life is full, and time is precious. We often want to share His encouragement in a tangible way, but life has a way of... happening. So, how do we make it easy?

God's Word is already powerful, even in its most simplest of phrases. His Word coupled with vibrant colors and sent with your thoughtfulness is an abundant expression of love. So, your words on the inside of the card can be few. A simple "I'm thinking of you" is often enough.

Since our cards are quality art prints, they may be displayed, and their message will continue to speak.

The ministry of card-writing can be a weekly get-away – a rejuvenating quiet time to pray for the people in our lives. For me, it is helpful to carve out a dedicated space with cards, stamps, addresses, and pens. Only one regular stamp is required for each card.

When writing notes, I try to be free to share my heart. Simple is often most impactful, but the cards are large enough if an entire letter is appropriate. I include the date to make each card a lasting remembrance.

If you find yourself at a loss for words, feel free to use the suggestions on the next page.

God bless you!

Beth Ann
